

Accessibility Statement

Legit Athletics www.legitathletics.com

Effective Date: January 24, 2026

Our Commitment to Accessibility

At Legit Athletics, we believe that every coach, parent, and player deserves full access to our custom teamwear experience. We are committed to ensuring that our website, including our real-time 3D uniform builder, is accessible to individuals of all abilities, including those with disabilities.

We strive to provide an inclusive digital environment where everyone can design championship-level gear without barriers.

Accessibility Standards

Legit Athletics is actively working to conform to the **Web Content Accessibility Guidelines (WCAG) 2.1 Level AA** standards established by the World Wide Web Consortium (W3C). These guidelines provide a framework for making web content more accessible to people with a wide range of disabilities, including visual, auditory, physical, speech, cognitive, language, learning, and neurological disabilities.

Measures We Are Taking

To achieve our goals, we are implementing the following measures across our website:

- **Alternative Text:** Providing text alternatives for non-text content so that it can be changed into other forms people need, such as large print, braille, speech, symbols, or simpler language.
 - **Keyboard Navigation:** Ensuring that all site functions, including our custom ordering process, can be navigated using a keyboard alone.
 - **High Contrast:** Maintaining sufficient color contrast ratios to make text and graphics easier to see.
 - **Descriptive Labels:** Using clear labels and instructions for all forms and interactive elements.
-

Accessibility of Our 3D Uniform Builder

We recognize that our real-time 3D builder is a sophisticated customization tool. We are dedicated to making this feature as accessible as possible and are actively working to:

- Provide text-based alternatives for visual customization options.
- Ensure compatibility with screen readers and assistive technologies.

- Offer customer support assistance for users who encounter difficulties using the builder independently.

We acknowledge that achieving full accessibility for advanced interactive tools is an ongoing process, and we are committed to continuous improvement.

Third-Party Content

Our website may contain links to third-party websites or integrate third-party services. Legit Athletics is not responsible for the accessibility practices or content of external websites. We encourage users to review the accessibility statements of any third-party sites they visit.

Ongoing Efforts

Accessibility is not a one-time achievement—it is an ongoing commitment. Legit Athletics regularly reviews and updates our website to identify and remove accessibility barriers. We conduct periodic accessibility audits, train our team on accessibility best practices, and integrate accessibility considerations into our development processes.

Disclaimer

While Legit Athletics strives for full accessibility compliance, we recognize that some content may not yet fully meet all accessibility standards. We are continuously working to improve the user experience for all visitors and are committed to achieving the highest level of accessibility practicable.
